

# 5200 Class Portable Two Thread Bag Closing Machine

for efficient,  
fast and easy  
closing of bags  
& installation of  
Geotextile Material

## Two Thread Plain Feed Machine with Built-In Thread Chain Cutter

The 5200 is a well balanced hand held machine that fits perfectly in an operator's hand. It's designed for closing bags made of light weight jute, burlap, cotton, linen, paper, or plastic. Also very effective for sewing of non-woven and lightweight geotextile material.
